Any runs that are entered in these trials at closing and pulled before the waiting list deadline will be replaced, if possible, by runs in order on the waiting list, and the exhibitor will be reimbursed in full. **If a run cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent for the run.** Entry fees for runs on the waiting list that do not get into the trial by the waiting list closing date will be refunded in full.

Owners are responsible for entering their dogs in the proper height divisions.

AKC Jump Height Cards

All dogs competing in agility must possess an official AKC Jump Height Card. **You are not required to show your height card or send a copy with your entry. You are required to mark on your entry form if your dog needs to be measured.** For more information please visit:
http://www.akc.org/events/agility/jump_height_card.cfm

Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, if notification has been received in writing from the AKC after closing that a dog is not eligible for a class entered, the dog may be moved to the correct class. The request for the move must be made at least 30 minutes prior to the start of the trial. If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

Move-Ups

MOVE-UPS close at 6:00 pm CT, Monday, May 1. Move-ups may be sent by regular mail or email to the Trial Secretary. If an email address is provided with your entry, an email confirmation of the move-up will be sent.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A **separate entry form must be submitted** when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the run. Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score.

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
 - FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
 - Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
 - Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
 - The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- (Note to Trial Secretaries – the above line has been updated to match the regulations. It had said: "The exhibitor must declare FEO in the ring prior to leading out.

FEO WILL BE OFFERED DURING T2B
